**ALL ingredients cooked in 100% Canola Oil.**

**100% Canola Oil is a safe cooking oil due to its high smoke point and low polyunsaturated fat content, making it a healthier option for cooking than common cooking oils such as peanut oil, corn oil and vegetable oil.**

**Toxin levels in cooking oils are significantly reduced.**

**Recommended for use with:**

- All bareburger meats
- All sauces
- All breads
- All sides
- All vegetables
- All toppings

**Ingredients are served steamed.**
